## **Pathway to a Safe Future**

**An endowment campaign for Safe Futures in honor of Millie Devine, NETWORK Founder**

Ten years ago, the NETWORK sold inscribed bricks to create a pathway to the entrance of Safe Futures' walk-in counseling center in New London. Funds raised were used for the interior of the counseling center, as the facility was undergoing renovation. This pathway continues to inspire and comfort those entering Safe Futures' doors for the first time .

**Safe Futures** saves lives, restores hope and changes the future for those impacted by domestic violence and sexual assault in southeastern Connecticut.

A decade later, **Pathway to a Safe Future** is an exciting way the NETWORK is honoring its past and giving hope for the future to women in need. This year's brick campaign will raise endowment funds for **Safe Futures** through the purchase of inscribed bricks. The fund will honor NETWORK founder **Millie Devine** and create *a lasting legacy of women helping and empowering women—and everyone— in southeastern Connecticut.*
